

Criteria for LIVE show interviews: Alternative News

- Steady Camera (Fixed cam) or if by phone. Preferably using a phone tripod (Easy to find and cheap)
- Pick a room with a dense effect, opposite of a bathroom sound
- Pay attention to background setting and plan set
- Best internet possible (Always better to be on ethernet connection through computers)
- If by device pick the strongest wifi part of your house or business
- Front lighting only (Major background lights distract)
- Plan to not have any distractions or background noises (kids screaming, or other such as dogs barking etc.)
- Prepare your digital media such as photos or short video clips you desire to be shown on the LIVE show if any
- Make a bullet point written outline of what content is in your story (5 bullet points max please)

INFOWIND new news teams are bringing people together to build teams of video and audio podcasters/broadcasters across a wide cultural spectrum focused on autonomous freedom.

Unlike "Crowd Sourcing" of existing news information to a specific brand or org, we create portals and administration opportunities for all "like minded" freedom seeking individual humans on the planet. We do not believe in leadership, we believe in US and YOU. A value for value system. To join our efforts please go to this link and join our team.
